

TIME TO HAVE A SPRING CLEAN OUT!

Our Turnaround Stores need your quality pre-loved items to sell in our six stores so we can continue to support the work of Iosis Family Solutions (formerly Baptist Family Services). We have an ongoing need for stock for our stores – clothing, accessories, bric-a-brac, household items, appliances and furniture. Smaller items can be dropped in to our stores or our collection bins. We are happy to arrange collection of larger items such as appliances or furniture. Look out for our orange clothing bins located at selected Baptist Churches and all of our shops.

We have an ongoing need for volunteers to assist in our stores, whether by sorting and pricing incoming stock; washing/repairing stock; and serving customers. This can be for as many or as few hours as people would like to commit and can be on a weekly, fortnightly or monthly basis. Prospective volunteers should contact our Volunteer Coordinator, Christie Fountain on 269 0050 Ext 9118 – Monday to Wednesday.

With many thanks for your continuing support.
