North Avon
BAPTIST CHURCH

North Avon Baptist Church is a small member-led church community in Christchurch with a very large community ministry – Delta Community Support Trust. Our mission and values are embodied in the Delta Pictorial Creed [attached] that speaks of being Christ centred and of communion, community, compassion and contemplation.

We are looking for a Community Pastor to join with us in discerning and expressing our vision, someone who has a passion for:

- Living among people who are broken, vulnerable, and disadvantaged
- Small and creative expressions of church
- Contemplative, holistic and inclusive spirituality
- Social justice
- Co-operative leadership
- Inner emotional healing
