

Children and Families Worker Full time position

Avondale Baptist Church has served its local community and environs for the last 90 years and has a rich history of community outreach and service. In keeping with this legacy and to better position ourselves as we serve the needs of our rapidly changing community, we have identified the need for a Children and Families Worker to help drive the Church vision forward.

The purpose of this position is to equip families in the raising of their children with the knowledge of God's Word and love; nurturing children within our church family and to reach out into the community; and to implement creative events that help children grow spiritually, emotionally and relationally to other children and adults.

ABC is going through a period of change as we reassess our current footprint within the local community and we need the skills of a great person with a strong heart for Christian ministry and social justice to help shape this role.

For the right person, in consultation with the Pastor (and the support of the leadership team) you will have the opportunity to shape this role and provide critical input to the direction in which we take it. Although this position is advertised as full time, we are flexible and will work with the right candidate to find a right balance of hours should that be required.

Please submit your CV along with a covering letter, outlining what makes you passionate about serving and leading this ministry.
